

ZDRAVKO LACKOVIĆ, redoviti profesor u trajnom zvanju, Medicinski fakultet Sveučilišta u Zagrebu. Rođen 1947. u Pitomači. Diplomirao na Medicinskom fakultetu Sveučilišta u Zagrebu (1971.), magistrirao (1974.), doktorirao (1976.); naslov disertacije “Određivanje metabolita biogenih amina u likvoru kao istraživački i dijagnostički pristup središnjem živčanom sustavu“.

Radio na Medicinskom fakultetu u Zagrebu, bio prodekan za znanost, voditelj doktorskog studija, 1 godinu pročelnik Zavoda za farmakologiju. “Visiting Scientist” u nacionalnim institutima za zdravlje SAD (NIH) (1979.-81.), “Distinguished Visiting Scientist”, Abo Academy University, Finska (1994.-1995.)

Područje znanstvenog interesa: neurotransmitori

Voditelj 3 međunarodna i više domaćih projekata, 5x mentor doktorandima, 138 (60 u CC) znanstvenih i 58 stručnih radova, napisao/uredio 16 knjiga ili priručnika. Citata 1117 (WoS 01.2016).

Počasni član Medicinskog Sveučilišta u Karagandi 2013. Počasni član ORPHEUS-a (Europska udruga doktorskih studija biomedicine i zdravstva) 2014.

Državna nagrada za znanost 2014.

Redoviti član AMZH od 2004.

ZDRAVKO LACKOVIĆ, Prof., Ph.D., School of Medicine University of Zagreb,

Born 1947. Pitomača. Graduated School of Medicine of Zagreb. MD 1971, MSc 1974, Ph.D. Thesis 1976 “Metabolites of biogenic amines in SCF as research and diagnostics approach to CNS”.

Employed at School of Medicine of Zagreb where he served as a Vice Dean for Research, Director of Ph.D. program (16 years) and shortly 1 year Chair of Department of Pharmacology. Scientific training at National Institute of Mental Health (NIMH, NIH) USA (1979 - 81) where he was promoted to „Visiting Scientist“ position. Sabbatical as, “Distinguished Visiting Scientist”, Abo Academy University, Finska (1994 - 1995)

Primary research interest; neurotransmitters.

Princ. investigator in 3 international and several national projects, 5x supervisor of Ph.D. Thesis, Published 138 research papers (60 in CC), 58 prof. papers, author or editor in 16 monographs. Citations: 1117 (WoS 01.2016).

Honor. Prof. State medical University Karaganda (KSMU) 2013. Originator, first president and now Honorary member of ORPHEUS (Org. of Ph.D. Education in Biomed. and Health Sci. in the European System) 2014. Croatian State award for Science 2014.

CAMS full member since 2004.
