ORCID: <https://orcid.org/0000-0003-0520-3483>

Obrazovanje

Diplomirao 1997. godine (summa cum laude), te doktorirao 2010. godine (hepatologija) na Medicinskom fakultetu Sveučilišta u Zagrebu. Specijalizaciju iz interne medicine 2000-2004., te užu specijalizaciju iz gastroenterologije 2006-2008. obavio u Kliničkoj bolnici Dubrava, Zagreb. Poslijediplomsko usavršavanje: Medicinski fakultet Hannover, Njemačka, 2006. (hepatologija i ultrazvuk); Sveučilište u Bologni, Italija, 2007. (endoskopski ultrazvuk); Sheila Sherlock Liver Centre, Royal Free Hospital, University College London, 2014. (hepatologija).

Akademski status

Redoviti profesor na Farmaceutsko-biokemijskom fakultetu Sveučilišta u Zagrebu; izvanredni profesor na Medicinskom fakultetu Sveučilišta u Zagrebu.

Stručno usavršavanje i postignuća

Specijalist interne medicine (2004.) i subspecijalist gastroenterologije (2008.). Voditelj odjela za hepatologiju (2011.–); Pročelnik Zavoda za gastroenterologiju, hepatologiju i kliničku prehranu (2022.–); Predstojnik Klinike za unutarnje bolesti KB Dubrava, Zagreb (2017.–2021.); Voditelj Referentnog centra za interdisciplinarni ultrazvuk u medicini (2019.–) i Referentnog centra za portalnu hipertenziju (2024.–) pri KB Dubrava; Direktor WFUMB Centra za edukaciju Hrvatska (2023.–). Prvi u Hrvatskoj uveo nove metode u području gastroenterologije i hepatologije: 1) Shear wave elastografiju u stvarnom vremenu od 2009.; 2) kontrastom pojačani ultrazvuk u hepatologiji od 2014.; 3) invazivno mjerenje portalnog tlaka (HVPG) od 2015.

Članstvo u stručnim i znanstvenim organizacijama

Predsjednik Hrvatskog gastroenterološkog društva (2022.–2025.); potpredsjednik Hrvatskog društva za ultrazvuk u medicini i biologiji. Član: European Federation of Societies for Ultrasound in medicine and Biology (EFSUMB), European Association for the Study of the Liver (EASL). Nacionalni predstavnik u Skupštini United European Gastroenterology. Član Upravnog odbora Central European Hepatologic Collaboration (CEHC). Osnivač i predsjednik Adriatic Liver Forum. Fellow of the European Board of Gastroenterology and Hepatology (FEBGH), Fellow of the Royal College of Physicians of London (FRCP).

Znanstvena djelatnost i publikacije

Područja znanstvenog interesa: hepatologija, ultrazvuk u gastroenterologiji i hepatologiji. Publikacije (<https://scholar.google.com/citations?user=14ookRoAAAAJ&hl=hr>): 120 in-extendso znanstvenih radova u recenziranim časopisima (uključujući Nature Medicine, Lancet, Gastroenterology, Journal of Hepatology, Ultraschall in der Medizin, Ultrasound in Medicine & Biology), više od 120 kongresnih sažetaka, 16 poglavlja u sveučilišnim udžbenicima/priručnicima. Partner u dva Horizon projekta Europske komisije: LIVERSCREEN i LIVERAIM. Glavni urednik i osnivač časopisa Hrvatski gastroenterološki zbornik. Član uredničkih odbora: Clinical and Experimental Hepatology, Frontiers in Gastroenterology, Portal Hypertension & Cirrhosis (PH&C). Recenzent za brojne međunarodne znanstvene časopise.

Education

Graduated at University of Zagreb School of Medicine in 1997 (summa cum laude). PhD in medicine 2010. Residency in Internal medicine 2000-2004, Fellowship in gastroenterology 2006-2008, University Hospital Dubrava, Zagreb. Postgraduate education: Medical School Hannover, Germany 2006 (Hepatology & Ultrasound); University of Bologna, Italy 2007 (Endoscopic ultrasound); Sheila Sherlock Liver Centre, Royal Free Hospital, University College London, 2014 (Hepatology).

Academic rank

Full Professor at University of Zagreb Faculty of Pharmacy and Biochemistry; Associated Professor at University of Zagreb School of Medicine.

Professional development and achievements

Board certified consultant in internal medicine (2004) and gastroenterology (2008). Head, Department of hepatology (2011-); Head, Department of gastroenterology, hepatology and clinical nutrition (2022-); Head, Department of Internal medicine University hospital Dubrava, Zagreb (2017-2021); Director, National referral centre for interdisciplinary ultrasound in medicine, University hospital Dubrava Zagreb (2019-); Director, National referral centre for Portal hypertension (2024-); Director, WFUMB Centre of Education Croatia (2023-). He introduced new methods in the field of gastroenterology and hepatology as the first in Croatia: 1) real-time shear wave elastography, from 2009; 2) contrast-enhanced ultrasound in hepatology, from 2014; 3) invasive measurement of portal pressure (HVPG), from 2015.

Membership in professional and scientific organisations

President, Croatian society of gastroenterology (2022-2025); Vice-president, Croatian Society for the Ultrasound in Medicine and Biology. Member: European Federation of Societies for Ultrasound in Medicine and Biology (EFSUMB), European Association for the Study of the Liver (EASL). National representative to the Meeting of Members, United European Gastroenterology. Member of the Governing board, Central European hepatologic collaboration (CEHC). Founder and President, Adriatic Liver Forum. Fellow of the European board of gastroenterology and hepatology (FEBGH), Fellow of the Royal College of Physicians of London (FRCP).

Research activity and publications

Scientific fields of interest: Hepatology, Ultrasound in gastroenterology and hepatology.

Publications (<https://scholar.google.com/citations?user=14ookRoAAAAJ&hl=hr>): 120 in-extenso manuscripts in peer-reviewed journals (including Nature Med, Lancet, Gastroenterology, Journal of Hepatology, Gut, Hepatology, Ultraschall Med, Ultrasound Med Biol, Eur Radiol), over 120 congress abstracts, 16 chapters in University manuals. Partner in two Horizon (EU commission) projects: LIVERSCREEN and LIVERAIM. Editor-in-Chief and founder of Croatian Gastroenterology Proceedings. Editorial board member: Clinical and Experimental Hepatology, Frontiers in gastroenterology, Frontiers in Pharmacology: Gastrointestinal and Hepatic Pharmacology, Portal Hypertension & Cirrhosis (PH&C). Reviewer for many international scientific journals.
