

MARIN TORTI rođen je 1980. godine u Zagrebu, diplomirao je 2006. godine na Veterinarskom fakultetu Sveučilišta u Zagrebu, gdje je 2014. godine stekao i doktorat znanosti iz područja veterinarskih kliničkih znanosti. Na Veterinarskom fakultetu Sveučilišta u Zagrebu zaposlen je od 2008. godine, trenutno kao izvanredni profesor na Klinici za unutarnje bolesti. U razdoblju od 2019. do 2022. godine obnašao je dužnost voditelja Sveučilišne veterinarske bolnice, a prethodno i zamjenika voditelja. Paralelno je od 2019. godine instruktor i predavač iz područja veterinarske ehokardiografije pri *European School of Advanced Veterinary Studies* (ESAVS). Specijalističko usavršavanje iz veterinarske kardiologije završio je na Ludwig-Maximilians-Universität u Münchenu (2014.–2019.). Aktivni je član Hrvatska veterinarske komore, American College of Veterinary Internal Medicine te europskih kardioloških stručnih društava. Njegov znanstveni i stručni interes primarno je usmjeren na veterinarsku kardiologiju, internu medicinu malih životinja i translacijsku medicinu. Redoviti je član Akademije medicinskih znanosti Hrvatske od 2025. godine.

HRV
